

# **Christmas Props Australia**

## **March Newsletter.**

As we wait for Autumn to settle in with cooler evenings and a break from the relentless rain, we hope you're staying safe and dry after some of the wild weather. So, now is a good time to sneak in a cheeky reminder that Christmas is only 35 weeks away until the official "Lights On".

### **Why think about Christmas now?**

1. Avoid the August to November scramble by designing and preparing for your show early.
2. The coming milder days are perfect for planning or upgrading your props in your shed now that it is no longer 50 degrees in the shade.
3. All our props are UV and water resistant. ideal for Aussie summers and surprise storms.

### **YouTube!**

We have now added a [YouTube channel](#) with behind-the-scenes magic to make your displays. Like and Subscribe so we can keep you up to date with new props and models as they go through Design and Production.

### **Double the Deals, Double the Cheer!**

We've added 2 ways to save big this season. Check our website for 2 new categories:

1. **On Sale:** Snag discounts on twinkling lights, dazzling props, and holiday must-haves—perfect for last-minute decor upgrades! Click [HERE](#)
2. **Scratch & Dent:** Score deep discounts on slightly imperfect items (think tiny dents or scuffs) that still shine bright. Ideal for budget-friendly setups! Click [HERE](#)

### **Winner - Winner Chicken Dinner!**

Lindsay Robinson won our Christmas Competition - and it's no surprise why! It bursts with holiday spirit. As a result, we're thrilled to celebrate this well-deserved win. Want to feel the holiday magic? To watch the video, click [HERE](#), then join us in congratulating Lindsay. Well done!
